

# Warley WASPS

Junior League Round 1 – Results  
Saturday 9<sup>th</sup> April 2011  
Wyndley Leisure Centre  
Start time: 6.30 p.m.

*This was the first round of this year's Nuneaton and District Junior League, Division 3. For the first time in 18 months team selection was proving to be difficult. Going on the previous weeks time trials, I decided to change a few swimmers around to see how they would cope with a change of stroke.*

*I also asked the help of some of our transition swimmers to fill gaps of the swimmers who were unavailable, it was going to be a tough gala, but at least we could fill all the swims with the exception of the 9's girl's relays.*

*The gala started off reasonably well with a few first places here and there, but after 14 events, we were last but one, we were in for a tough lesson (as I thought).*

*Things then started to pick up, the next 14 events included more first places and we moved to joint third position.*

*The last half of the gala, not only saw us move from third to second, but we recorded 8 first places, more than we ever achieved last year put together.*

*This proved to be a very successful gala for Warley WASPS, finishing in second place, just 13 points behind the winners Broadway, recording a total of 13 first places!*

*Congratulations goes out to all swimmers who attended, and especially to those who had never swam competitively before! The atmosphere on the poolside was 1000% better than last year, and the final result shows what a near full team can achieve. Bring on Round Two!!*
