

Publication and Media Interest Policy

You should be aware that every swimming competition, in which our club members take part, is governed by ASA rules relating to the use of photography.

As a competitive club, our successes will sometimes need to be publicised. In this connection it would be good to provide photographs of our club members for circulation in newspapers and other media such as our web page.

Only swimmers with parental approval will be invited to take part in such photo opportunities. The mode of dress for such club publicity photos will be agreed beforehand. Any parent (carer) who would not wish for their child(ren) to take part in such photography sessions is of course at liberty to exclude their child(ren) from taking part. In that event the parent should make clear to the organisers of the photography session that their child(ren) must not take part.

It is imperative that every member sees a copy of the Code of Conduct and Rules and Constitution of Warley Wasps Swimming Club. Copies are available at the desk.
